

**FITZGIBBON HOSPITAL'S  
LACTATION RESOURCE**  
*— Mothering from the Heart —*

Making the decision to breastfeed your baby is a very important decision. Your milk is ideal nourishment for your baby and far superior to any substitute. While there are numerous reasons to breastfeed your baby, deciding how to feed your baby can also bring up a lot of questions.

Breastfeeding is a personal choice: your decision should be based on facts. It is important that you feel supported in your decision to provide breast milk to your baby and we want to make sure that you receive accurate information and can make an informed decision about how you want to nourish your baby. We strive to make sure you have the information and tools you need to ensure breastfeeding success.

If you have questions or concerns about breastfeeding, we would be happy to visit with you at any time during your pregnancy, free of charge. Just give us a call at (660) 886-7800.
