

Seeking VOLUNTEERS

The Fitzgibbon Home Health & Hospice program is in need of volunteers!

Hospice Volunteers offer support to patients and families. Basic services delivered by a hospice are defined by national standards, laws and regulations.

Some examples of volunteer tasks are to:

- Provide hands-on care to dying patients
- Provide respite and support for family and other caregivers
- Do administrative work in the hospice office
- Assist with fundraising activities
- Drive patients to doctor appointments
- Read to patients, listen, and be there for patients who need companionship
- Assist with childcare
- Teach bereavement support classes or provide bereaved family support
- Assist with memorial services, deliver mail and flowers
- Provide professional services
- Education and training provided

If you or someone you know would be interested in volunteering, please contact Fitzgibbon Hospital Human Resources at 660-831-3281 or ext. 281.
