

Scheduling Appointments

Our office hours are:
Monday & Friday 8am-5pm
Tuesday—Thursday 7am-7pm

For already scheduled appointments you will receive a phone call from our office the day before your appointment to remind you. Patients should arrive 15 minutes prior to appointment. If you arrive late, you may be rescheduled. Same day appointments are available. Our registration staff will try their best to accommodate you with the next available appointment. After-hour healthcare needs are directed to our on-call medical provider, and they can be reached through calling

Group Visits

At Marshall Family Practice we offer monthly group visits. Topics are chosen to help you in self managing your disease. Visits are scheduled every third Wednesday of the month at 10:30 a.m. You can register for the group visits by calling the clinic.

Prescription Refills

Allow up to 48 hours for medication refills. For fastest response, please have your pharmacy fax a medication refill request well before you will need the medication.

What is a Medical Home?

A medical home is not a building or house, but an important partnership between you, your family or caregivers, and your primary care provider and the supporting clinical staff. Together, we will make sure your health care needs are met. **You are the center of your health care. The clinic team helps you coordinate all your health care needs.**

Mission

Marshall Family Practice is dedicated to:

- Accessible, quality primary healthcare
- Making the quality of life for those we serve better
- Creating a respectful and caring environment

Available Staff

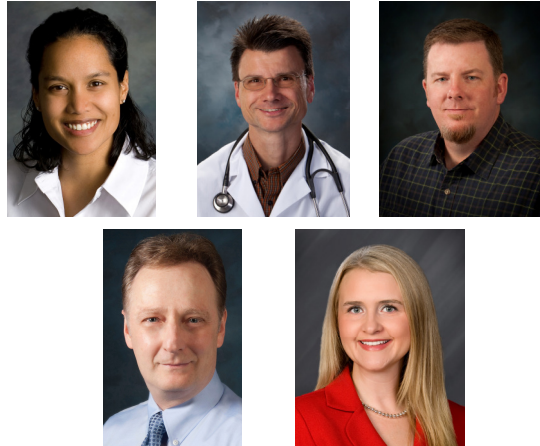

MFP is staffed by Physicians, Nurse Practitioners, Social Workers, Nurses, and other supportive staff. We are dedicated to helping you stay as healthy as possible.

What You can Expect From Us:

Physicians:

Who will listen to your questions and concerns and will help you understand any healthcare needs you may have.

Nursing Staff (including Family Nurse Practitioner and nurse care manager):

Who will provide clear instructions about your treatment goals and future plans for every visit. They will also help you manage your health and help you know what to do when you leave the office.

Care Coordination:

Who will Coordinate your care needs including the care you may receive from others.

Health Coach:

Who will help you set goals for changes you want to make for your health.

What We Expect From You:

- Keep your primary care provider up-to-date on your health history, including informing us if you have had any health care in other locations since your last clinic appointment.
- Keep your appointments and be on time.
- Be prepared for appointments
 - ~Bring a list of any questions you may want to ask.
 - ~Bring a current list of your medications including over-the-counter medications or herbal supplements you may be taking.
- Learn ways to keep yourself as healthy as possible
- Work with your healthcare team to set goals important for your health.
- Avoid going to the Emergency Room for care that can be delivered in the clinic.
