(insert allegation from petition which describes injured part(s) of body)

The healthcare provider is neither required nor prohibited by law from engaging in private conversations regarding the patient's above-referenced care. The decision to enter into any such conversation is that of the healthcare provider. However, disclosure that exceeds the scope of this authorization may subject the healthcare provider to civil liability.

This authorization, contrary to the notice above, shall remain in effect until the underlying claim is finally resolved. Therefore, you may receive a supplemental request for documents. Provided you have an original authorization allowing you to provide records to the party making the supplemental request, a written request for supplemental documents is sufficient, and no additional authorization is required.

The patient further requests that the healthcare provider supply complete copies of all documents produced pursuant to this authorization to patient's attorneys:

____,
at their expense (if desired by Plaintiff's counsel).
