

LIVING WITH ALZHEIMER'S & DEMENTIA

Conversational educations presented by the

Greater Missouri Chapter

In the stages of Alzheimer's disease, families face many new questions. How do we plan for the future? What resources are available to help? Join us for this program that answers these and other questions that arise in the early stage. Hear from other care partners and learn tips and strategies to help you support a person living with the disease and their caregiver.

Meet your Speaker:
Amelia Cottle

The Living Center
