

Fitzgibbon Hospital Foundation Focus

News for our Donor Community

From the CEO

As we make preparations for Pink Out and Breast Cancer Awareness next month, we will also celebrate the 10th Anniversary of Fitzgibbon Hospital's Community Cancer Center. The Community Cancer Center was born out of a vision and tremendous community effort with a common purpose of bringing cancer treatments and therapy to our community. That vision became reality ten years ago and we have been able to treat our cancer patients with quality, compassionate care right here in our community. Since opening in October of 2009, the Community Cancer Center has treated more than 2,500 patients from our surrounding community. Along with our wonderful longstanding, dedicated Fitzgibbon nursing/care staff, Dr. Mark Tunesvik and Dr. William Decker from Missouri Cancer Associates have continued to provide the highest level of compassionate care since the beginning. More recently, Dr. Harold Johnson and Dr. Steven Westgate, also from Missouri Cancer Associates, have been part of this journey with us as well.

12th Annual Pink Out Events Raise Awareness

While the impending fall brings thoughts of orange, red and bronze as the leaves begin to change, it also brings thoughts of the color pink, which is synonymous with Breast Cancer Awareness. Many businesses, schools and healthcare organizations are gearing up for the activities that focus on breast cancer awareness, detection, prevention and treatment.

Although October continues to be the primary month of focus regarding breast and other cancers, the event has drawn so much participation that many activities are beginning earlier, in September. "Pink Out" in Marshall is a collection of activities that community organizations will spearhead. These activities include both educational events and fund-raising activities. This marks the 12th year of the area's annual Pink Out campaign.

"These events allow people to have an opportunity to learn about the diagnostic testing and cancer treatments Fitzgibbon offers, as well as be reminded about the warning signs and risk factors for cancer," said Jackie Finnegan, Foundation Coordinator for Fitzgibbon Hospital. "We help promote these events so that it sparks an interest in receiving cancer screening and treatment here in our Cancer Center. It is great to see whole communities come out in support of those individuals who are

battling cancer in all its forms."

Activities and events to raise awareness in the fight against breast and other cancers begin at 7 p.m. on Friday, Sept. 20, with the "Tuff Enuf to Wear Pink" Missouri Valley Rodeo Stampede at the Saline County Fairgrounds.

St. Peter's School will host a fund-raising breakfast from 6:40 a.m. to 7:40 a.m., on Thursday, Sept. 26, with proceeds also earmarked for the Community Cancer Center.

The "Get Your Color On 5K Fun Run/Walk," which has become one of the area's leading 5K events, will be held at 2 p.m., Sunday Sept. 29, at Indian Foothills Park. Many people say they participate in the race to honor a personal connection, a cancer survivor or loved one who has died of

cancer.

Marshall High School classes get into the act on Tuesday, Oct. 1, for the annual Powder Puff football games. The staff from Marshall High School will square off against the staff from Fitzgibbon Hospital at 6 p.m., Tuesday, Oct. 1, at the Marshall High School stadium. The winning team receives the Pink Out sequined football as a trophy to display until the next year's game. Last year's game was action packed and ended in a tied score of 40-40. Admission to the

"It is great to see whole communities come out in support of those who are battling cancer in all its forms"

Jackie Finnegan

<Pink Out, cont. page 5>

<CEO, continued>

With the overwhelming physical, emotional, and spiritual toll a patient and their family have when undergoing cancer treatment, there is such a meaningful comfort knowing that they don't have to travel to Kansas City or Columbia for their care. Our staff treats each patient like the family, friend, or neighbor they are, and this helps in providing comfort through such a difficult process.

We like to say "you don't have to fight this alone" and that statement rings true, not only for the Fitzgibbon Community Cancer Center but for the entire community who worked so hard to bring a vision to reality. To provide some additional perspective on the impact we have had, our Community Cancer Center has had over 31,000 chemotherapy visits and provided over 33,000 radiation therapy treatments over these ten years. All of those treatments were right here.

We hope that you will join us at the Fitzgibbon Community Cancer Center on October 15th at 5:30 pm for a special 10th Anniversary celebration. This event will give you a chance to tour the facility and visit with our staff and community members. In all that we do, we know that we are all in this together.

Darin Haug, D.O.

President and CEO
Fitzgibbon Hospital

As we wrapped up the golf tournament and Day in the Park, we began working on our annual Pink Out Campaign. There are many events scheduled that will help us increase cancer awareness in the communities we serve. It's always a pleasure to watch public and private school students create and execute their own campaigns. Whether it's a lemonade stand or papering the outfield fence with posters, the efforts are very much appreciated!

We are reminded daily how important it is to have our own Community Cancer Center here in Marshall. Patients and caregivers frequently tell us how much they appreciate not having to travel to receive treatment. Thank you for your continued support! It is truly

AMAZING what your donations can do!

The weather this year generated many challenges for communities and our own Fitzgibbon Hospital staff. The flooding resulted in road closures, detours, and a 4-hour per day commute for many Fitzgibbon employees. We would like to thank Missouri Valley College, Dr. Bonnie Humphrey, and Tim and Brandy Schulte for their generosity and compassion. We approached the college to see if it was feasible for our staff to stay in an empty dorm on campus. Within 12 hours, there was a plan in place and keys were in hand.

We would also like to recognize our staff for their dedication. They spent many

hours away from their families so they could care for our patients. There are many stories about neighbors helping neighbors during this difficult time. It is truly heartwarming to be able to share this example.

Please save the date for The Fling Gala (April 17, 2020) and the 30th Pete H. Rea Memorial Golf Tournament (July 11, 2020). Follow our pages on Facebook:

Buffalo Trace Donates to Charities Nationwide

Buffalo Trace is awarding 400 bottles from its 6 Millionth Barrel to charities across the United States. We have been notified that Fitzgibbon Hospital has been chosen as one of six Missouri non-profit organizations that will receive one of the coveted collector's bottles! We are thrilled! We'll be sharing more information about a special raffle that will begin in mid-November and end with the winner's name being drawn on Friday, December 13th.

29th Annual Pete H. Rea Memorial Golf Tournament

The 29th Annual Pete H. Rea Memorial Golf Tournament was held on July 13, 2019 at Indian Foothills Golf Course. Fifty seven teams participated in the event that generated \$13,100 in proceeds. We are grateful to the sponsors, players, donors and volunteers for their roles in making the day a success!

Special thanks to Tournament Co-Directors Jason Coffman and Tanner Fennwald, Golf Operations Superintendent Jordan Dickson and the Indian Foothills staff for everything they did to make the day great for our players. In addition, thanks go to Jean Tumlinson, Patty Nelson, Sharla Wright and their crew. They have been providing great food at the tournament for 29 years!

Generous donors enabled us to award prizes on every hole. John Stockman was the winner of the Hole #14 \$1500 Jackpot prize sponsored by Elmer Hare Ford Sales, Graves Foods, and Servpro.

All Systems Designed Solutions sponsored the Hole #18 Closest to the Pin \$1,000 prize won by Cliff DeGraff. Jeff Naught won the Wood & Huston Top of the Rock golf package.

The Fitzgibbon Hospital Golf Tournament has earned a reputation as "one of the most fun tournaments in central Missouri".

FITZGIBBON HOSPITAL

IS PARTICIPATING IN THE 2019
CHIEFS TICKET FUNDRAISER!

KC Chiefs Fundraiser

The Chiefs fundraiser is back! You can enjoy being part of the Chiefs Kingdom while supporting the Fitzgibbon Hospital Foundation! The Foundation receives \$10 for each ticket sold through this fantastic program.

Follow the link below, choose your game(s) and enter the promo code FITZGIBBON (all caps). It's that simple!

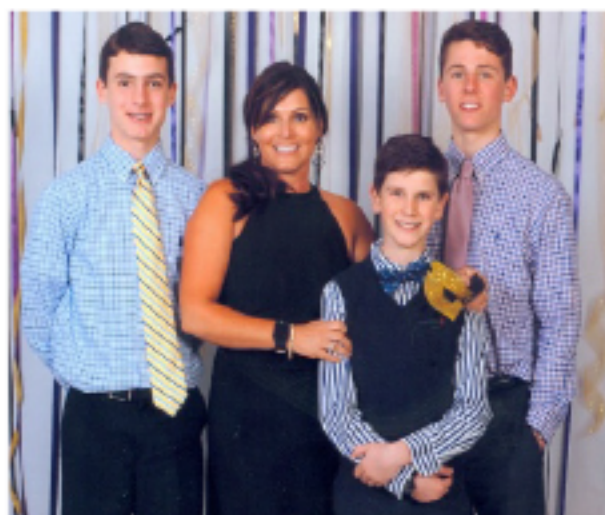

<https://www.chiefs.com/ticketfundraiser>

This fundraiser is open to anyone, so please share the link and code with your friends and family!

Auxiliary Coordinator

Rachel Miles joined the Fitzgibbon team in early August as the Auxiliary Coordinator. Rachel and her husband Brian have a farming operation in Marshall. Their children Luke, John, Ian, and Megan are very involved in Marshall Public Schools and St. Peter Catholic School. Rachel has been a member of The Fling Committee for the past three years. You may have noticed her sons volunteering at The Fling earlier this year! She enjoys working alongside other volunteers and can appreciate the time others dedicate to make the community the best it can be.

In her spare time, Rachel enjoys traveling with her family, getting lost in a book, the company of timeless friendships and a good PBS special.

Pink Out, continued from page 1

game is just \$1, with proceeds designated to the Fitzgibbon Hospital Cancer Center.

The annual Pink Out football game will be held at 7 p.m., Friday, Oct. 4, at Marshall High School as the Marshall Owls take on the Moberly Spartans. Check presentations of proceeds from various community events will be made throughout the game. Educational flyers detailing cancer signs and symptoms will be distributed to attendees. Additionally, cancer survivors will be recognized during the event.

Specially printed tie-dyed Pink Out T-shirts with the 2019 "Tackle Cancer" design will be on sale in the hospital gift shop in late September. The winning 2019 Pink Out T-shirt was designed by Abbie Mahnken, B.S.R.T., R.T., who is employed at the Fitzgibbon Hospital Cancer Center as a radiation therapy technician. The contest was open to all employees of Fitzgibbon Hospital and The Living Center. You can see the design at www.fitzgibbon.org/pink.

At 5 p.m. on Tuesday, Oct. 8, Slater High School will hold its annual Pink Out softball game followed up by their annual Pink Out football game at 7 p.m. on Oct. 11.

Finally, in what has become an annual tradition, the Ashford Agency has partnered again with Cargill to put on the Pig Out for Pink Out Lunch on Friday, Oct. 18, in the Hometown Pharmacy parking lot at 452 W. Arrow. Delivery is available. Place your orders by calling 886-8557.

For more information, please contact Finnegan at (880) 831-3850. For cancer signs and symptoms information, posters, registration forms and other information, visit the www.fitzgibbon.org/pink.

Your donations for staff continuing education and scholarships make a difference!

Richardson attends NRP Roadshow

Thanks to help from the Foundation, I was able to attend the neonatal roadshow in Denver Colorado on Aug. 3 this summer. The American Academy of Pediatrics and Neonatal Resuscitation Program (NRP) steering committee provided this training for NRP instructors. NRP is a requirement for all the obstetric registered nurses, house supervisors, respiratory therapists and hospitalists at Fitzgibbon. For an extensive newborn resuscitation, a minimum of four trained NRP providers are necessary. Attending the NRP roadshow gave me ideas on how to strengthen Fitzgibbon NRP providers, improve simulations and optimize classes which are mandatory every two years. Important topics from the conference have already been shared with the obstetric nurses. My goal is to provide more continued education to all NRP providers in between the required class including use of our new simulator Hal and virtual monitor. This will allow feedback for skills such as positive pressure ventilations and umbilical venous catheter placement. Providers also will see educational posters and flip charts throughout the year to remind them of key points. In a rural hospital such as Fitzgibbon, it is important NRP team members are competent with skills, communication and knowledge.

Beth Richardson, RNC

Kelly Virus, RN and Beth Richardson, RNC received continuing education assistance thanks to your generous support of the Fitzgibbon Hospital Foundation.

AWHONN

PROMOTING THE HEALTH OF
WOMEN AND NEWBORNS

1969-2019 50 YEARS

Virus attends 2019 AWHONN Conference

Through the generous gift from the Fitzgibbon Foundation, I was able to attend the 2019 Association of Women's Health, Obstetric and Neonatal Nurses (AWHONN) conference in Atlanta, GA. This was my first opportunity to attend a conference that was specialized to my area of nursing. In Atlanta, I found thousands of obstetric and neonatal nurses

from all over the country gathered to share new ideas and solutions to help us take the best care of our patients. I felt empowered by being present among highly educated individuals that strive to find new solutions to problems that are faced not only in large medical facilities but also in our community. I was inspired to continue learning and encourage my Women's Center colleagues to do likewise. I have been blessed to have the ability to impact the lives of mothers, fathers and newborns, and I have also been blessed to be able to do this for Fitzgibbon Hospital. Thank you for supporting nurses in furthering their knowledge and allowing them to reenergize their passions for medicine.

Kelly Virus, RN

Pointer Obtains Aquatic Therapy Certification

Goal achieved!!! It has been a professional goal of mine to attend an Aquatic Therapy and Rehab Institute (ATRI) conference and attain an aquatic therapy certification from this organization.

With generous assistance from the Fitzgibbon Hospital Foundation, this past July, I was finally able to achieve these goals. The conference took place in Florida and consisted of an intensive schedule of lectures/discussions on aquatic therapy evidence-based research and hands-on training for aquatic techniques. Yes, I spent half of the conference in a pool!

In addition to learning new concepts and techniques for aquatic therapy, the conference also allowed me to network with other aquatic therapists across the country and provided resources for quality/innovative aquatic equipment. I concluded the conference with sitting for the certification exam. Acquiring this certification has provided me with leading-edge aquatic practice for my patients. I am truly thankful for this experience!

Jeana Pointer, PT, ATRIC

Impact

We are grateful to our volunteers who always answer "YES!" and fill so many vital roles to support us. We appreciate you!

Claire Winning and Michelle Nichols volunteered at the 29th Annual Pete H. Rea Memorial Tournament. They volunteer because "We love our hospital and want to promote it to the community."

Tim & Eileen Thompson volunteer because they "want to be a part of helping grow and maintain a vital organization that impacts our community. Also, many hands make light work!"

Pink Out T-shirt Design Winner

The winning 2019 Pink Out T-shirt was designed by Abbie Mahnken who is employed at the Community Cancer Center. The contest was open to all employees of Fitzgibbon Hospital and The Living Center. Thank you to everyone who submitted a design! Congratulations Abbie! Find the Pink Out T-shirt order form in this edition of the *Foundation Focus*.

Hooters Golf Tournament

Connie Latimer spearheaded another very successful Hooters for Hooters Golf Tournament! The all-female tournament was held on Saturday, June 8 at Stone Hedge Country Club. A fantastic group of women sporting pink attire golfed until early afternoon. Their efforts generated \$14,350 to benefit the Fitzgibbon Hospital Community Cancer Center.

We sincerely appreciate Connie's leadership and each and every one of the Hooter's ladies!

smile

You shop. Amazon gives.

Local businesses have been very generous in their support of the Foundation's fundraising activities by providing sponsorships, auction items and cash donations. We hope you will be able to complete all of your holiday shopping in the local communities served by Fitzgibbon Hospital. In the event you can't find what you need locally, please consider shopping at www.smile.amazon.com and select John Fitzgibbon Memorial Hospital Inc. as your charity of choice. Here are excerpts from the "About Amazon Smile" website:

"Amazon.Smile is a simple and automatic way for you to support your favorite charitable organization every time you shop, at no cost to you. When you shop www.smile.amazon.com you'll find the exact same low prices, vast selection and convenient shopping experience as amazon.com with the added bonus that Amazon will donate a portion of the purchase price to your favorite charitable organization."

"On your first visit to AmazonSmile, you need to select a charitable organization to receive donations from eligible purchases before you begin shopping. We will remember your selection, and then every eligible purchase you make at smile.amazon.com will result in a donation."

Thank you for choosing Fitzgibbon Hospital. It's AMAZING what your donations can do!
